

Not necessarily the ideal married couple...

The St. Peter Marriage Encounter group

Cordially invites you and your spouse
To our annual

Date Night

“Laughing Your Way to a Better Marriage: The Tale of Two Brains”

Tickets: \$10 per couple (you can pay at the door)
includes wine, heavy appetizers, and the presentation

Join us for a funny and engaging short video along with conversation about the different ways men and women ‘keep score’ in marriage, and small things each of us can do that will keep our relationships strong and growing.

This is a GREAT, CHEAP, LOW-INTENSITY night of fun, laughter, conversation, dialogue and prayer. We guarantee that you’ll learn something new about your spouse, and you’ll also meet other committed married couples from the parish.
