

June 12, 2017

Dear Fellow Eucharistic Ministers,

The new schedules are enclosed for July and August. Put your assigned date and time on your calendar in **big, bold lettering**. We, and the St. Peter family, are counting on you. We understand that "things" come up, but please try to find a sub in plenty of time. If you are subbing, be sure to write the name of the scheduled person next to yours.

The alphabetical schedule for July & August has the "L" for Lectors. I was able to include them because the current Lector Schedule covered all of July and August.

If you have friends or family members interested in becoming a Eucharistic Minister please have them send us an email or call us on the phone. We can really use a few more ministers. Training can be scheduled at a convenient time.

Again, thanks for all who volunteer for this important ministry. St. Peter Parish is blessed by the work you do. Feel free to call us if you have any questions and/or concerns.

The peace of Christ be with you and your loved ones. And have a great summer!

Trish and Bob Martin
